

FOR IMMEDIATE RELEASE

Aurora, IL.

Kaneland W.I.N.S. (Women-Insight-Network-Service) will hold their April luncheon on Tuesday, April 15, at Mill Creek Golf Club. The Club is located at 39W525 Herrington Drive in Geneva. Networking is an important part of each meeting and begins at 11:30AM, with lunch and fellowship to follow until 1:00PM. Visitors are always welcome.

The speaker for this luncheon will be Jennifer Schafernack, Communication Instructor at Waubensee Community College. This month's topic is entitled "Conflict Resolution". Conflict happens in the home and workplace every day. Jennifer will give you powerful communication tools to tackle conflict situations in a productive and powerful way.

A Service project is part of each month's agenda, and the service project for April is "Taking Control", a program for troubled youth. Each attendee is requested to bring new or like-new children's books and games to be used in the program.

Cost of the luncheon is \$15 for members and \$25 for non-members. Please RSVP to 630-945-7086 by April 8 to reserve your seat. New members are warmly welcome.

Kaneland W.I.N.S. is a not-for-profit organization providing Kaneland area women opportunities for personal and professional development, networking and service to our community. Presentations range from educational to entertaining, and provide something for everyone. Members include women that work either outside or inside the home. The group meets monthly September through May.

The annual membership fee is \$50 per year, renewable on September 1. As a member of Kaneland W.I.N.S., you will enjoy: a reduced fee for monthly luncheons (a savings of \$80 annually); a listing in the membership directory (both printed and on our website); and the opportunity to be a Spotlight Speaker at our luncheons.
